## **DARREL ARVID ADAMS**

***WHEREAS**, it is with deep and sincere sorrow that the members of the Sixty-Eighth Legislative Assembly of the State of Montana record the passing of Darrel Arvid Adams on February 12, 2022. It is fitting and proper that the record and accomplishments of the late Darrel Adams be filed on the official records of this Assembly, and the following facts relative to his career are hereby noted:*

Darrel Adams was born on October 9th, 1939, to Roger Leverett and Leila Wismer Adams in Hillsboro, Oregon, the youngest of 4 children. After high school graduation in 1957, he served briefly in the Army until he was honorably discharged, allowing him to help his mother run the family farm after the sudden death of his father. He met Lorena, the love of his life, while driving young people to church conferences. They were married for 56 years and had 7 children and 23 grandchildren.

Darrel spent much of his life farming. In 1989 the family moved to Montana, and they enjoyed trips through Glacier Park, camping and canoeing. Darrel loved music, and his harmonica was never far from him. He loved drawing and filled sketch books with his unique style. He was intrigued with developing new things and developed several inventions throughout his life.

In 1997 Darrel ran for the Montana House of Representatives. His family remembers gathered to watch the election results come in, finally showing "Adams in the lead." He served for three terms and was on the Agriculture, State Administration and Transportation committees. Later he and Lorena moved back to Oregon and then to the warm weather and sunshine of Arizona.

Darrel was a faithful and active part of his church. His family remembers his hallmark "scowl" and folding his arms when anything "distasteful" would come up in the conversation. People remember Darrel as kind, genuine, good hearted, hardworking, peaceful, and gentle.

Darrel was preceded in death by his father, mother and two brothers. He is survived by his wife, Lorena; and children and grandchildren: Randle (Alicia), Leila, Mary, Laura, Peter, and James; Sylvia (Tom Bastress), Alexis, Dylan, Madison, and Daniel; Geneva (Ben Holmgren) and Elsie, Ira, Owen, Anna Rose, Adeline, and Ophelia; Austin (Lindsey) and Erik; daughter Echo; sister Vergene Eischen and numerous nieces and nephews.

## JOSEPH RAYMOND BALYEAT

*WHEREAS, it is with deep and sincere sorrow that the members of the Sixty-Eighth Legislative Assembly of the State of Montana record the passing of Joseph Raymond Balyeat on October 4th, 2022. He died while hunting in the woods that he loved with his bow still in his hand. It is fitting and proper that the record and accomplishments of the late Joe Balyeat be filed on the official records of this Assembly, and the following facts relative to his career are hereby noted:*

Joe Balyeat was born on October 26, 1956, in Great Falls to Earl and Jean Balyeat. He graduated from Great Falls High School and received a Bachelor of Science in business administration-accounting from the University of Montana. He graduated in two and a half years with straight A's, graduating first in his class and as a three-time National Merit Scholar. He was an author of theological books and a prolific writer on many topics. He was a national award-winning CPA and the owner of a real estate and rental company.

He served in the Montana House of Representatives in the 2001 and 2003 sessions and in the Senate during the 2005 and 2007 sessions. He served on the Fish and Game, Taxation and Transportation committees. President Mark Blasdel said about Joe: "Joe Balyeat was a hardworking senator for Montana taxpayers who brought a lot to the table with his accounting and sportsman background. He was an avid hunter and outdoorsman and died doing what he loved. He was a fighter for freedom and will be deeply missed."

Joe was a man who loved his family, and he did everything he could to provide for them and build a better world for future generations. He impressed upon his family the importance of a good work ethic, passing on his love of the great outdoors and practical life skills to his children and grandchildren. He was a lifelong Montanan and an accomplished, record book bowhunter. Despite the eventually fatal serious heart condition, he enjoyed otherwise good health and continued his favorite activities until his last day.

Joe's family spent his 6th birthday camped out on the property with Joe complaining, "No cake, no pie, no nothing. A heck of a birthday"! This was his first memory of the place that would become home for the rest of his life.

The family remembered the depression years as happy ones. They raised vegetables, hunted, and fished, and lived in one shack or another so the kids could attend school, happily returning to summer at the ranch. During World War II Joe and two of his brothers enlisted. Their mother proudly displayed three blue stars in her window until her boys came safely home.

Joe returned home and worked construction with his father and brothers until he hired on as a union carpenter during the building of a mill near the family property. He later was hired as a millwright's carpenter, a position he retained until his retirement in 1986.

Joe married Edris Alesa Huckaba on July 30, 1950, in Missoula after a whirlwind three-month courtship. After their first daughter, Diane, was born in Missoula, they returned to the ranch and built the home where Joe would live until his death.

In 1982 Bob and Barb decided to build a small bar and restaurant in Clancy. This became the Legal Tender Cafe.

After serving on a school board, Bob chose to enter politics. In 1968 he ran a successful campaign for the State Legislature in his home house district. He also chaired the Western District Council of State Governments, and in 1989 newly elected Governor Stan Stevens appointed Bob to head the Department of Administration. He had learned the art of compromise and gained the friendship of hundreds of people on both sides of the aisle. Bob's campaign slogan was "Make your mark for Marks." He served on Business and Labor, Energy and Telecommunications and Natural Resources. One of the highlights of his tenure in the political arena was, as a leader of the Montana State Veteran Affairs Committee, arranging for the National Director of Veterans Affairs to visit Montana. Nearly one thousand veterans traveled to Helena for a public hearing to speak directly to the administrator about the challenges they faced in traveling great distances to receive medical and social services at Fort Harrison, the only hospital/clinic in Montana. The passion and actions of this committee led to the establishment of several more offices and clinics throughout the state which made care more easily accessible to the state's veterans.

Glenn and Ardith loved to travel, especially their cruises in the Caribbean, Panama Canal, and Alaska. Summers were always spent planning and organizing the yearly family reunions camping at Holland Lake.

Glenn was preceded in death by his parents and his wife, Ardith. He is survived by daughters, Kay (Jake) Neil and Glenda (Brian) Armstrong; sons, Ryan (Robin) Roush and Neal Roush; grandchildren, Stephanie (Joel) Gaertig, Travis Neil, Renae (Tyler) Hubbard, Kaylie (Shawn) Hanson, Todd Roush, Anyssa Roush, Madison Armstrong, Sydne Armstrong; and great-grandchildren, Jack and Gavin Gaertig, Ellie Hubbard, and Ryker Hanson.

## **BARRY "SPOOK" STANG**

*WHEREAS, it is with deep and sincere sorrow that the members of the Sixty-Eighth Legislative Assembly of the State of Montana record the passing of Barry "Spook" Stang on January 22, 2023. It is fitting and proper that the record and accomplishments of the late spook Stang be filed on the official records of this Assembly, and the following facts relative to his career are hereby noted:*

Spook Stang was born in Missoula, the middle child of three, on December 5, 1950, to Leo and Angie Stang. He spent his early years in Missoula until his dad moved the family to St. Regis in 1958 to open Stang's Food City. The grocery store was the family business.

While pursuing a bachelor's degree in accounting at Carroll College, Spook made many lifelong friends. He took an accounting job in Helena after graduation where he met the mother of his two children, JoAnn Harris (McGarvey). The couple was married in Butte and moved to Hamilton where his daughter Mandi was born in 1977. They returned to St. Regis where Spook became the butcher at Stang's Food City. His son Ryan was born in 1979 to complete the family. While Spook was a great friend, he was an even better Dad, always sitting in the front row with his popcorn, cheering the kids on and "instructing" the refs.

Spook was elected to the Montana House of Representatives for the 1987, 1989 and 1991 sessions and to the State Senate for the 1993, 1995, 1997, and 1999 sessions. In both houses he was on the Education, Highways and Taxation committees. He had numerous friends on both sides of the aisle and was known for his ability to work with both parties. His bipartisanship would serve him well in his next career, as Executive Vice President of the Motor Carriers of Montana. His 14 years of legislative experience proved beneficial at the trucking association, and he worked there until his retirement in 2020.

Spook and JoAnn ended their marriage as friends, and Spook rekindled his romance with Daun Clements. He loved Daun and her kids, Ty and Evan. Daun and Spook loved boating, and much of their vacation time together involved a lake or a river. Spook enjoyed Harley motorcycling trips with his cousin Mike, ATV adventures in Arizona, sports of all kinds, and every bird-hunting excursion possible.

Spook was preceded in death by his parents, Leo and Angie Stang; brother-in-law Bob Pickering; and his hunting buddy Bob, his beloved dog. He is survived by his daughter and son-in-law, Mandi, and Bill Brunckhorst; grandchildren, Kylee and Ryan Brunckhorst; his son, Ryan Stang; sister, Judy Stang; brother and sister-in-law, Richard and Nancy Stang; niece and nephew, Larissa Moe and Eric Stang; dear friends Daun, Evan and Ty Clemens.

## MILES L. SWAN

*WHEREAS, it is with deep and sincere sorrow that the members of the Sixty-Eighth Legislative Assembly of the State of Montana record the passing of Miles L. Swan on May 26th, 2019 surrounded by his loving family. It is fitting and proper that the record and accomplishments of the late Miles Swan be filed on the official records of this Assembly, and the following facts relative to his career are hereby noted:*

Miles “Torchy” Swan was born on March 28, 1926, in Livingston to Leonard and Lillian Swan. The family, including his sisters Lila and Sheila, lived on the family ranch outside of Highwood. His mother sent him to school when he was five years old to get him “out from underfoot” as he was a “rascal” to younger sister, Lila. He graduated from high school in 1932.

He attended Montana State College for one quarter and joined the Army in December of 1944, spending his first Christmas away from home in an empty barracks as everyone else had gone home for the holidays. Miles, stationed in Hawaii, translated Japanese and later Soviet radio code. An ace shot, he was promoted to sergeant and received an honorable discharge.

Miles earned a degree in animal industry at MSC 1950 and was a member of Sigma Chi fraternity. Miles and his “adorable Wyoming girl,” Doris Nye married on September 16, 1950, and returned to the ranch to start a family. Miles worked on the ranch with his father and later became partners with his brother-in-law, Herb Pasha. The two remained partners for over 40 years and formed a lifelong friendship.

In addition to ranching, Miles served in the Montana House of Representatives in the 1969 and 1971 sessions. He was active in the Stockgrowers organization and served on two bank boards. He was active in Masons and Eastern Star. After 80-plus years of ranch life, Miles and Doris moved to Great Falls in 2014 and became active in the Senior bridge community. They celebrated “family” at the annual Labor Day gathering at the cabin on Flathead Lake.

Preceding Miles in death were his parents, sister Shirley Cornelius, brothers-in-law Bill Cornelius and Herb Pasha and brother Lee. He is survived by his wife Doris; daughters Linda, Lisa (Monk Semansky), Annette (John Schipf), Virginia (Thomas Sullivan), and Carol; Gill McKeever, an exchange student from Barbados; grandchildren Kirsten Schipf Brady (Dane), David Schipf (Hsiang Yuan), Joseph Semansky (Lisa), Kathryn “Katie” Schipf, Danial Sullivan (Aubrey Power), Rachel Semansky Kimm (Weston), Mari Sullivan, and Cormac “Mac” Sullivan; four great-grandsons: Mathew and Andrew Brady, Abraham Schipf and Miles Kimm, sister-in-law Pennee Albrecht and sister Lila Pasha.

## MARK ALLEN SWEENEY

*WHEREAS, it is with deep and sincere sorrow that the members of the Sixty-Eighth Legislative Assembly of the State of Montana record the passing of Mark Allen Sweeney on May 6th, 2022 at age 62. It is fitting and proper that the record and accomplishments of the late Mark Sweeney be filed on the official records of this Assembly, and the following facts relative to his career are hereby noted:*

Mark Sweeney was born in Butte on May 27, 1959, the youngest son of Jean and Bill Sweeney. Raised in Miles City, he hunted and fished on the eastern prairies. He went to Western Montana College in Dillon, where he wrestled and explored the mountain west.

After college he returned to Eastern Montana and worked at the Lower Yellowstone River Intake near Glendive for Montana Fish, Wildlife and Parks. He was responsible for establishing the river's walleye population, gathering walleye eggs downstream from the intake on the Yellowstone. Those eggs spawned the walleye program at Miles City fish hatchery.

That success led to Sweeney working to improve Montana fish populations as far west as Lake Koocanusa in Libby. He eventually became manager of the Washoe Park Trout Hatchery in Anaconda, where biologists developed the population of genetically pure west slope cutthroat used to re-populate the fish to their historic Montana territories.

Mark grew up on the Yellowstone River, hunting and navigating in a small kayak. "He was like a Huckleberry Finn," said his friend Chris Marchion of Anaconda. "He knew all the islands. He really knew that river. He would float all the time in that little kayak."

Mark's deeply seated values compelled him to serve the public. He began as a county commissioner, then a member of the Montana House of Representatives in the 2019 session and the State Senate in the 2021 session. He represented an area that stretches from Drummond to Walkerville in the northern reaches of Butte. He was engaged in a campaign for a seat in the U.S. House of Representatives at the time of his death.

Mark is survived by his wife Sue; his daughters Shannon and Jordan; his stepdaughters Brandi Johnson and Carly Johnson; his grandsons Weston and Brooks; his father-in-law Vic Standa; his siblings Judy and Perry Wolfe, Bill and Lana Sweeney, Joan and Dale Hubber; in-laws Frank and Becky Standa, Jack and Nia Standa, Leigh and Scott McOmber; numerous nieces and nephews and their children.

## **WILLIAM G. (BILL) THOMAS**

***WHEREAS**, it is with deep and sincere sorrow that the members of the Sixty-Eighth Legislative Assembly of the State of Montana record the passing of William G. "Bill" Thomas on November 13, 2022 with his family by his side. It is fitting and proper that the record and accomplishments of the late Bill Thomas be filed on the official records of this Assembly, and the following facts relative to his career are hereby noted:*

Bill Thomas was born January 17, 1942, in Great Falls to Martin and Irene Thomas. After graduating from Great Falls Central High, he attended Montana State University and enjoyed fraternity life and college football. He graduated from Montana State Northern.

His entrepreneurial spirit led him to become a successful small business owner of Granny's Pie House, It'll Do Bar, Iron Kettle restaurant and oil drilling endeavors. He served as a member of the Montana House of Representatives in the 1975 session and in the State Senate during the 1977, 1979, 1981 and 1982 sessions.

He was an educator for 30 years and served as President of the State Board of Education where he championed the Montana School for the Deaf and Blind. He was particularly fond of helping countless friends and family in navigating intricate ways to afford higher education. He had a strong Catholic faith, having spent time in the seminary in his youth and as a lifelong parishioner of Holy Spirit Church.

Bill enjoyed a variety of activities including politics, investing, both water and snow skiing, yearly boating outings with his family at Seeley Lake. He had a passion for football, the Green Bay Packers and the Notre Dame Fighting Irish. He enjoyed and always made time to mentor his political friends and colleagues. He also spent time volunteering at St. Thomas Orphanage, Great Falls Rotary, and many roles in organizing the Montana East/West Shrine Football Game.

Bill was best known for his big heart, deep belly laugh, and infectious smile. He was preceded in death by his loving parents and his brother-in-law, Hollis Broderick. He is survived by his beloved wife of 53 years, Patsie Bartoletti-Thomas, his sister Colleen Broderick, his children Patti Monts, William G. (Jen) Thomas II, Mary Pat (Tim) Penley, Marty (Rebecca), Brad, and Stephanie (Justin); his grandchildren Kim, Katie, Kyle, Bryce, Amanda, Thomas, Edward, Terra, Joseph, Taylor, Gabe, Kate, William J. Thomas III and Colton.

It is fitting and proper that the record and accomplishments of the late Gene Vuckovich filed on the official records of this Assembly, and the following facts relative to his career are hereby noted:*

Gene Vuckovich was born in Anaconda on March 9, 1936, to Daniel and Donnie (Elakovich) Vuckovich. Gene changed career paths and served as the Director of the Montana Concentrated Employment Program, and for over 16 years served as the Director/Coordinator for the Montana Ironworkers' Apprenticeship Program. He was City/County Manager of Anaconda/Deer Lodge County and was instrumental in seeing the Old Works Golf Course built on a superfund cleanup site. His last job was Executive Director for Montana Rural Development Partners.

After retirement Gene ran for an open seat in the Montana State Senate. He served in the Senate during the 2011 through 2019 sessions working on the Business, Energy and Local Government committees.

April 21, 2023

The Honorable Jason Ellsworth  
President of the Senate  
State Capitol  
Helena, MT 59620

The Honorable Matt Regier  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Ellsworth and Speaker Regier:

During this legislative session, we have successfully worked together to bring more innovation to education, expanding opportunities in personalized and work-based learning for Montana students.

As we continue working toward increasing innovation in education, I thank Representative Anderson for his thoughtful efforts with House Bill 458 to get career coaches into more schools to support students in their educational and career endeavors. Career coaches help students obtain valuable, insightful experiences through internships, apprenticeships, and other work based learning opportunities.

House Bill 458 provides a definition for career coaches, including required education or work experience for school districts to hire them. House Bill 458 provides clarity for districts that a career coach does not have to be a licensed school counselor or educator.

I appreciate the intent of the bill. As currently written, however, the legislation can be improved to prevent an increase in regulations and red tape that will unnecessarily saddle school districts.

Therefore, in accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 458: "AN ACT REVISING LAWS RELATED TO CAREER COACHES; PROVIDING A DEFINITION OF CAREER COACH; PROVIDING FOR DUTIES AND QUALIFICATIONS FOR A CAREER COACH; AND AMENDING SECTION 20-1-101, MCA."

As currently written, House Bill 458 requires the Office of Public Instruction to certify career coaches, an obstacle that does not exist under current law. A new state certification requirement will create red tape and hurdles for districts seeking to hire career coaches.

HOUSE JOURNAL  
SEVENTY-NINTH LEGISLATIVE DAY - April 21, 2023

The amendment I offer proposes striking references to certification while maintaining the overall substance and intent of the bill.

For this reason, I respectfully ask for your support of this amendment.

I appreciate the sponsor's work on House Bill 458 and his support of the amendments I offer.

Amending House Bill 458 will eliminate unnecessary red tape for our school districts and ensure districts can get career coaches more quickly and efficiently into our schools to better prepare our students for their future.

The Honorable Matt Regier  
Speaker of the House  
State Capitol  
Helena, MT 59601

Dear President Ellsworth and Speaker Regier:

Elk hunting access agreements negotiated with willing landowners have been a valuable tool to improve public elk hunting opportunities on otherwise unavailable private lands. In exchange for opening this public access opportunity, landowners have been able to receive licenses and permits from the Department of Fish, Wildlife, and Parks to hunt elk on their property.

I appreciate the legislature's work to improve how these agreements are negotiated, and to clarify how licenses and permits are administered. The language of House Bill 596, however, struck the existing requirement that these licenses and permits may only be used for hunting conducted on property that is being opened to public access pursuant to an agreement under this section.

This existing requirement strikes a balance between the opportunities provided under these agreements to public hunters and those provided to landowners. The existing requirement should not be removed.

Therefore, in accordance with the power invested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 596: A BILL FOR AN

ACT ENTITLED: "AN ACT REVISING ELK HUNTING ACCESS AGREEMENT COOPERATOR LICENSES; PROVIDING DEFINITIONS; AMENDING SECTION 87-2-513, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE."

I offer an amendment that restores the existing requirement that these licenses and permits may only be used by the landowner or designee for hunting conducted on property that is being opened to public access.

The amendment I offer helps ensure the viability of elk hunting access agreements, maintains the parity we currently enjoy, and continues the improvements we have made for public elk hunting opportunities that Montanans expect and rely on.

I respectfully ask for your support of this amendment.

Sincerely,

Greg Gianforte

President of the Senate  
State Capitol

The Honorable Matt Regier  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Ellsworth and Speaker Regier:

A well-negotiated compromise among stakeholders, House **Bill** 635 brings together those who enjoy the benefits of elk habitat and those who provide and protect elk habitat.

I appreciate Representative Kassmier for successfully leading the charge to move this measure through the Legislature, and I am grateful for the intent of House Bill 635. The bill can be improved by making a minor adjustment to the number of licenses provided to qualifying landowners and by streamlining the implementation and administration processes for the Department of Fish, Wildlife and Parks so the agency may provide Montanans with more efficient, effective services.

Therefore, in accordance with the power invested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 635: "A BILL FOR AN ACT ESTABLISHING A LANDOWNER PREFERENCE POOL FOR CLASS B-10 NONRESIDENT BIG GAME COMBINATION LICENSES; ALLOWING PURCHASE OF AN

ADDITIONAL BONUS POINT FOR CERTAIN NONRESIDENT LANDOWNERS;  
PROVIDING RULEMAKING AUTHORITY; AMENDING SECTION 87-2-115, MCA; AND  
PROVIDING A DELAYED EFFECTIVE DATE."

As currently written, House Bill 635 requires a landowner to own at least 2,500 contiguous acres in fee title to qualify for the preference pool. It also further provides that for each additional 2,500 contiguous acres, a landowner may receive an additional license, up to a maximum of five licenses.

One of the amendments I offer simplifies the bill by doing away with the need for an assessment of graduated acres and licenses. Instead, it establishes the simple maximum threshold of three licenses for any landowner owning at least 2,500 acres.

Another amendment I offer requires a qualifying landowner to have owned the subject property for at least three years.

I appreciate the sponsor's support of the modest amendments I offer, and I respectfully ask for your support.

Sincerely,

Greg Gianforte  
Governor

**MESSAGES FROM THE GOVERNOR**

May 1, 2023

The Honorable Jason Ellsworth  
President of the Senate  
State Capitol  
Helena, MT 59620

The Honorable Matt Regier  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Ellsworth and Speaker Regier:

I support the Legislature's interest in broadening the scope of the post-election audits to include audits in counties that only hand count votes. Senate Bill 254 pursues this intention but fails to remove all references to the vote-tabulating machine limitation.

Therefore, in accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments Senate Bill 254: "AN ACT REMOVING AN EXEMPTION FROM A POSTELECTION AUDIT FOR COUNTIES THAT TABULATE THEIR VOTES BY HAND; PROVIDING RULEMAKING AUTHORITY; AMENDING SECTION 13-17-503, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE."

The attached language further amends MCA 13-17-503-which is entitled "**Random-sample audit of vote-counting machines required-rulemaking authority**" and currently directs that "the county audit committee shall conduct a random-sample audit of vote-counting machines"-to remove both references to vote-counting machines and instead, more broadly direct that "the county audit committee shall conduct a random-sample audit."

I respectfully request your concurrence with this amendment.

Sincerely,

Greg Gianforte  
Governor

HOUSE JOURNAL  
EIGHTY-SIXTH LEGISLATIVE DAY - May 01, 2023

May 1, 2023

The Honorable Jason Ellsworth  
President of the Senate  
State Capitol  
Helena, MT 59620

The Honorable Matt Regier  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Ellsworth and Speaker Regier:

Like you and members of the Legislature, I recognize the importance of providing parents, guardians, or other individuals who are the subject of a child abuse and neglect case with the information needed to protect their legal rights during a child protective services (CPS) investigation.

I appreciate the Legislature's work to promote transparency and parental rights during child abuse and neglect cases. However, Senate Bill 181 can be improved to ensure the protection of vulnerable children and the ability of Montana Department of Public Health and Human Services (DPHHS) Child and Family Services Division (CFSD) staff, who are required under state and federal law to investigate reports of child abuse and neglect, to conduct timely and thorough investigations, while promoting transparency and parental rights.

Therefore, in accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments Senate Bill 181: "AN ACT PROVIDING FOR THE PROVISION OF CERTAIN INFORMATION TO A PARENT, GUARDIAN, OR OTHER PERSON HAVING PHYSICAL OR LEGAL CUSTODY OF A CHILD WHO IS THE SUBJECT OF A CHILD ABUSE OR NEGLECT INVESTIGATION."

As approved by the Legislature, Senate Bill 181 shifts the focus of CPS investigations away from children's best interests in favor of the rights of parents who are the subject of an abuse or neglect investigation. Under Senate Bill 181, the prioritization of parental interests over a child's could delay and hinders CFSD's ability to fulfill its mandate to protect abused or neglected children when dangerous circumstances exist.

Specifically, Senate Bill 181 prevents DPHHS staff from properly investigating and providing for the safety of children in their home following an allegation of abuse and neglect. The legislation hinders DPHHS investigators as they engage with a parent, who is the subject of a child abuse and neglect case to protect and ensure the safety of the child. Further, Senate Bill 181 fails to prohibit actions that could be used to abuse, terrify, intimidate, threaten, harass, injure, or endanger DPHHS employees when a child is removed from the parental home.

While I share the Legislature's goal of promoting transparency and parental rights during CPS investigations, it is critical that the best interests of vulnerable children in Montana are not

HOUSE JOURNAL  
EIGHTY-SIXTH LEGISLATIVE DAY - May 01, 2023

undermined and CFSD staff are not obstructed while protecting children who have been or are at substantial risk of abuse, neglect, or abandonment.

Therefore, I offer an amendment that strengthens the bill by ensuring the safety and well-being of Montana's children and safeguarding the ability of DPHHS staff to properly fulfill their duties, while also promoting parental engagement and full notice of their legal rights during a CPS investigation.

Senate Bill 181 can be improved with vulnerable Montana children in mind, and I respectfully ask for your support of this amendment.

Sincerely,

Greg Gianforte

The Honorable Jason Ellsworth  
President of the Senate  
State Capitol

The Honorable Matt Regier  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Ellsworth and Speaker Regier:

Like you and members of the Legislature, I understand the need to provide stable and predictable procedures in dependent and neglect ("**DN**") cases that do not result in unnecessary or inordinate delays in the placement of children or reunification of families.

While I appreciate the intent of Senate Bill 184 to expedite DN cases by limiting a court's ability to transfer venue and grant continuances, these provisions unduly limit a court's ability to appropriately manage DN cases in the best interests of the children and parents involved.

Therefore, in accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments Senate Bill 184: "AN ACT REVISING PROCEDURAL REQUIREMENTS IN CHILD ABUSE AND NEGLECT PROCEEDINGS; PROHIBITING TRANSFER OF VENUE OUTSIDE OF THE COUNTY IN WHICH AN ABUSE AND NEGLECT PETITION WAS FILED; PROVIDING EXCEPTIONS TO THE PROHIBITION ON TRANSFERS OF VENUE; PROHIBITING CONTINUANCES OF HEARINGS UNLESS EXIGENT CIRCUMSTANCES EXIST; DEFINING 'EXIGENT

HOUSE JOURNAL  
EIGHTY-SIXTH LEGISLATIVE DAY - May 01, 2023

CIRCUMSTANCES'; AND AMENDING SECTIONS 41-3-103 AND 41-3-434, MCA."

First, Senate Bill 184 prohibits a court from transferring venue outside of the county in which the petition is filed unless venue is being transferred to a tribal court or treatment court. It is not uncommon for a party involved in a **DN** case to move to another county for any number of legitimate reasons, including employment, housing, or treatment opportunities. Prohibiting venue transfer in these circumstances could not only limit the ability of a parent, child, or other necessary party to meaningfully participate in the proceedings, but it may also hinder reunification efforts or a child's permanent placement. The better course is to allow the original court to weigh and consider all of the circumstances - including the stage of the proceedings, the location of witnesses, the child's needs, a parent's treatment progress, and the ability of parties to participate - to determine if a change in venue will best serve the interests of the child and the implementation of any reunification or permanent placement plans.

Therefore, I offer an amendment that authorizes a court to deny a motion to change venue if good cause exists or if transferring venue will result in delaying a child's permanency.

Second, Senate Bill 184 prohibits a court from continuing a hearing unless a narrow set of exigent circumstances exists. **DN** cases are complex and involve many people. If a parent cannot be located, constitutional due process rights may require a continuance outside of the narrow exigent circumstances prescribed by the bill. Critical witnesses may not be available at the time of an originally-scheduled hearing. A parent may need additional time to complete a treatment component due to circumstances beyond their control. Senate Bill 184 even takes away the right of the parties themselves to agree to a continuance.

Recognizing the unique complexity of **DN** cases and the importance of parental rights, the amendment I offer appropriately allows a court to grant a continuance if good cause exists, as defined in the amendment, including consideration of a parent's constitutional rights.

To ensure courts in DN cases can take into account relevant facts when presented with a request for transfer of venue or a continuance, and to ensure courts can make a reasoned decision that protects the constitutional rights of parents while promoting the best interests of the child, I respectfully ask for your support of these amendments.

Sincerely,

Greg Gianforte

HOUSE JOURNAL  
EIGHTY-SIXTH LEGISLATIVE DAY - May 01, 2023

The Honorable Matt Regier  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Ellsworth and Speaker Regier:

Like you and members of the Legislature, I understand the vital role our ambulance service providers play in providing Montana's patients with life-saving medical care. Ambulance service organizations face unprecedented challenges with increased operating costs that have been compounded by a shortage of paramedics and emergency medical technicians, and I share your commitment to ensuring such organizations are equipped to continue serving as lifelines to care in communities across Montana.

I share the goal of maintaining and improving Montanans' access to critical life-saving services and applaud the Legislature's work to improve the financial security of ambulance providers across the state. However, House Bill 828 can be improved to ensure the intent of the legislation is achieved.

Therefore, in accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 828: "AN ACT ESTABLISHING AN AMBULANCE PROVIDER ASSESSMENT FEE; ESTABLISHING PROCEDURES FOR COLLECTING AND DISTRIBUTING THE FEE; ALLOWING AUDITING OF AMBULANCE PROVIDER REPORTS AND PAYMENTS; ALLOWING FOR PENALTIES AND INTEREST; REQUIRING REVENUES GENERATED BY THE FEE TO BE USED FOR SUPPLEMENTING AMBULANCE PROVIDER MEDICAID PAYMENTS; PROVIDING RULEMAKING AUTHORITY; PROVIDING DEFINITIONS; PROVIDING A STATUTORY APPROPRIATION; AMENDING SECTION 17-7-502, MCA; AND PROVIDING AN EFFECTIVE DATE AND A CONTINGENT TERMINATION DATE."

As approved by the Legislature, House Bill 828 establishes a Medicaid supplemental payment program for ambulance providers, which requires the Montana Department of Public Health and Human Services (DPHHS) to obtain approval of a state plan amendment (SPA) from the Centers for Medicare & Medicaid Services (CMS) with sufficient time to implement the program by July 1, 2024. While I am also committed to improving access to ambulance services, the bill, as approved by the Legislature, does not provide enough time for DPHHS to gather the data and to conduct a proper analysis to determine the impact of the supplemental payment program, including the impact on ambulance service providers, and whether the program will have the impact intended by the Legislature. Such data and analyses are also needed to support the submission to, and approval by, CMS of the necessary SPA

Therefore, I offer an amendment that will strike the implementation date in Section 16(2) of House Bill 828, which will allow DPHHS to work with relevant stakeholders to ensure their broad support, as well as obtain the necessary data to analyze the impact, of the supplemental payment program prior to seeking federal approval.

House Bill 828 can be improved to ensure the bill's intent is achieved, and I respectfully ask for your support of this amendment.

The Honorable Jason Ellsworth  
President of the Senate  
State Capitol  
Helena, MT 59620

The Honorable Matt Regier  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Ellsworth and Speaker Regier:

When any Montanan is convicted and incarcerated for a crime he or she didn't commit, that individual deserves redress and compensation. We owe it to wrongfully convicted individuals to help them make their lives whole.

I appreciate the 67th Legislature for establishing an optional path for compensation and am grateful for the 68th Legislature's work to continue the wrongful conviction compensation program and clarify several of its procedural aspects through House Bill 423. However, this bill can be improved.

Therefore, in accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return with amendments House Bill 423: "AN ACT GENERALLY REVISING EXONEREE COMPENSATION LAWS; MAKING THE COMPENSATION PROCESS PERMANENT; REVISING WHAT INFORMATION MUST ACCOMPANY A CLAIM FOR COMPENSATION; REVISING WHEN A CLAIMANT CONVICTED PRIOR TO JULY 2021 MAY FILE A CLAIM; LIMITING WHEN A PROFFER OF ACTUAL INNOCENCE MAY BE REQUIRED; REMOVING A PARDON AS AN ACT THAT CAN BE USED TO ESTABLISH A CLAIM FOR COMPENSATION; REVISING WHEN A TRANSITION ASSISTANCE GRANT MUST BE PAID; ELIMINATING COUNTY OF CONVICTION AS A PARTY TO A CLAIM; PROVIDING FOR A TRANSFER OF FUNDS TO THE EXONEREE COMPENSATION FUND; MAKING THE STATUTORY APPROPRIATION OF THE EXONEREE COMPENSATION FUND PERMANENT; AMENDING SECTIONS 46-32-101, 46-32-102, 46-32-103, 46-32-104, AND 46-32-108, MCA; REPEALING SECTION 15, CHAPTER 574, LAWS OF 2021; AND PROVIDING EFFECTIVE DATES."

Historically, counties have been liable for approximately 77% of the damages paid to persons

HOUSE JOURNAL  
EIGHTY-SIXTH LEGISLATIVE DAY - May 01, 2023

wrongfully convicted, and the state has been liable for approximately 23%. That is why, in 2021, I worked with the legislature through House Bill 92 to allocate responsibility for 75% of the costs associated with the wrongful conviction compensation program to counties and 25% to the state. House Bill 423 eliminates the counties' responsibility for wrongful convictions, placing 100% of the responsibility on state taxpayers.

To ensure financial and legal responsibility for harm rests with the party best able to keep it from happening again, and to protect Montana taxpayers, the amendatory language I offer restores the 75% to 25% compensation equation established through House **Bill** 92 in 2021.

Additionally, with enactment of the Montana Marijuana Regulation and Taxation Act (**MMRTA**) in 2021, certain acts relating to the possession of marijuana were decriminalized and persons convicted of those acts may petition for expungement of the conviction or for re-sentencing as a misdemeanor or civil infraction. Another amendment I offer clarifies that an individual seeking expungement of a felony conviction for a crime that is now legal under **MMRTA** is not eligible to seek compensation for a wrongful conviction.

Again, I appreciate your efforts to ensure we compensate Montanans who are wrongfully convicted and imprisoned for crimes they didn't commit. As a society, it is the right thing to do, and I respectfully ask for your support of this amendment.

Sincerely,

Greg Gianforte  
Governor

**MESSAGES FROM THE GOVERNOR**

May 2, 2023

The Honorable Jason Ellsworth  
President of the Senate  
State Capitol  
Helena, MT 59620

The Honorable Matt Regier  
Speaker of the House  
State Capitol  
Helena, MT 59620

Dear President Ellsworth and Speaker Regier:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby veto Senate Bill 442, "AN ACT GENERALLY REVISING THE DISTRIBUTION OF MARIJUANA TAXES; REVISING THE ALLOCATION OF THE MARIJUANA STATE SPECIAL REVENUE ACCOUNT; TRANSFERRING TAX REVENUE FROM MARIJUANA SALES TO THE DEPARTMENT OF TRANSPORTATION FOR THE FUNDING OF COUNTY ROAD CONSTRUCTION AND MAINTENANCE; PROVIDING A CALCULATION BASED ON THE ROAD MILES, STATE AND FEDERAL LAND AREA, AND BLOCK MANAGEMENT ACRES IN COUNTIES AND CONSOLIDATED CITYCOUNTIES;

HOUSE JOURNAL  
EIGHTY-SEVENTH LEGISLATIVE DAY - May 02, 2023

ESTABLISHING A HABIT AT LEGACY ACCOUNT; REVISING THE MONTANA WILDLIFE HABITAT IMPROVEMENT ACT; AMENDING SECTIONS 15-70-101, AND 16-12-111, 87-5-801, 87-5-802, 87-5-803, 87-5-804, 87-5-806, 87-5-807, AND 87-5-808, MCA; AND PROVIDING AN EFFECTIVE DATE."

First, there is a substantial technical issue with Senate Bill 442. As written, the bill glaringly omits an appropriation, failing to fund itself. Without an appropriation, the bill does nothing.

Second, there is a substantial policy issue with Senate Bill 442. The bill is unprecedented in that it authorizes ongoing state resources from the General Fund to maintain county roads.

As you know, the state is responsible for constructing, reconstructing, maintaining, and repairing state highways and roads, and local jurisdictions for their local roads. In recent history, the state has never authorized ongoing state resources from the General Fund for such local roads projects for local jurisdictions. Instead, local jurisdictions use their local resources for critical local infrastructure needs.

Adopting the approach of Senate Bill 442 creates a slippery slope, an incentive for local jurisdictions to reduce their services while keeping taxes higher on their citizens. Local jurisdictions will not have to dedicate as much of their local resources to their local roads as they have had to. But instead of cutting citizens' taxes proportionately, they can reallocate those dollars to capricious, unnecessary projects, resulting in a net increase of Montanans' tax burden.

Furthermore and more troubling, Senate Bill 442 creates the illusion that the state will accept increasing responsibility for matters that are strictly under the jurisdiction of local authorities.

Instead of establishing an ongoing authorization of state resources from the General Fund, a better, more responsible, more prudent approach is to provide one-time-only funding to local jurisdictions to address their infrastructure needs. Such an approach is more appropriate given the state's surplus and is provided for in Senate Bill 536.

For these reasons, I veto Senate Bill 442.

Sincerely,

Greg Gianforte  
Governor
